

Project

Purpose & Constraints

1

why?

“if you're not sure why you're doing something, you can never do enough of it”

vision & outcome

2

Look from beyond completion
Envisage wild success
Capture features of picture

- defines success
- decision making criteria
- clarifies focus
- motivates

brainstorm

3

Quantity not quality
Don't plan!
Capture features of picture

4organise

moving_parts > subproject
next_actions

- identify significant pieces
- sort (priority/part/sequence)
- lay out (post-it)
- detail to the right degree

5 do

- Objectives Reached
- Followed up & Cleaned up
- Abandoned (why?) →
- Held until →

Done
